

St. Gregory the Great Summer Camp

2017

Dear Parent/Guardian:

St. Gregory the Great Academy Summer Camp would like to highlight our campers and staff during activities and trips in various external media outlets. (Only Facebook – Summer camp page and on occasion St. Gregory the Great Church page)

Last year, I made a Facebook page just for Summer Camp (a closed group). Parents truly enjoyed this page so I will be doing it again this summer. This page will be private and I will monitor who is able to become friends with the page. This page allows us to show all the wonderful things your children are doing throughout the day. This also allows us to showcase our trips and visitors with you.

The children have such a great time at camp and are making such special memories. As parents you only hear about what is happening but we'd love to show you, and what better way to show you than through pictures.

RETURN THIS FORM TO HAVE YOUR CHILDREN'S PHOTOS PUBLISHED AS FOLLOWS:
