

June 2017-2018

Dear Parents,

Realizing that during the summer months there are many sales for school supplies, we are sharing this list of **FOURTH GRADE** needs. In addition, we hope to assist you in purchasing **NECESSARY** items. Stationery may be bought from school in September if you wish. However, not all the listed items are available.

Thank you for your kind cooperation. As you purchase items, you may check them on the list for your records. We look forward to meeting you in September.

Gratefully,
The Fourth Grade Teachers
