

P.T.A. MEMBERSHIP

Welcome back! Hopefully you have had a restful summer and are ready to begin a terrific new school year. At SGGA, every family is a P.T.A. member. Your annual dues (\$5.00) were incorporated into the book fee that has already been paid by each family.

P.T.A. General Meetings are held throughout the school year. Attending general meetings will allow you the opportunity to learn more about school decisions and your child/children as students, through presentations by our Principal or guest speakers.

LEGISLATIVE COMMITTEE

Throughout the school year you will be receiving *Action Alert* flyers from the New Jersey ALLIANCE of Catholic School Families. These

Action Alerts are legislative updates that will keep you informed about issues such as busing and school funding. Although not every issue may affect you and your family personally, please take the time to review the alerts and respond as needed in order to benefit our school family as a whole.

Once or twice a year the ALLIANCE sends out an urgent request that we contact state legislators to ask support for an upcoming bill that would benefit our child/children at St. Gregory the Great Academy. If you would be willing to be part of an "Immediate Response Team" that I could notify to call or e-mail State Representatives, please check the box below.

Thank You,

Mary Ann Holston

 YES, I would like to be a part of the "Immediate Response Team"
